

September 2009 Auxiliary Newsletter

Hi everyone! Hope your summer was a great one despite the unseasonal weather. Let's get right down to business.

Congratulations to Norwood-Norfolk High School seniors Holly Planty, Joanna Frego and Kristen Foote, the recipients of our Auxiliary's Scholarships of \$100.00. They were presented on June 27, 2009 at the graduation ceremonies at NNCS.

Our regular meeting will be Monday, September 14, 2009 at 7:00PM instead of September 8, 2009. This is because the 4th district Fall Conference of the American Legion, Dept. of New York is being held in Lake George on September 8, 2009. This is where all the new information for our next year's auxiliary programs will be given. We have several members of our unit attending and they will be presenting this information at our meeting on Monday the 14th.

The first meeting of the St. Lawrence County Auxiliary for 2009-2010 will be at Newton Falls Unit #1539, September 17, 2009 at 12:30PM. There will be a luncheon following the meeting. All auxiliary members are welcome.

The Dept. of New York American Legion, American Legion Auxiliary and SAL state visitation will be held at Potsdam Post #74 on September 19, 2009. Dinner will be at 7:00PM. Tickets are \$20.00, available from your Post Commanders. Come meet your Dept. of NY officers and give them your support for the upcoming year.

VA & R chairperson, Sylvia Despaw reminds all that we are still collecting items for the Syracuse VA hospital and will be sending them down in September. Call 384-3155 for list and thank you for all the support you have given in the past.

Memberships for the 2010 are out. Please try and get your renewal in before the October 10th, the date of the early bird dinner.

Respectfully yours
Lois Pernice, President
